

PATHOLOGY REQUEST FORM

STEP 1 - PRACTITIONER

1. Enter your Name and Customer Code
2. Mark the quantity required for prescribed test/s on the Order Form on the back of this form.

Please complete BOTH fields.

PRACTITIONER NAME

Elizma Lambert

CUSTOMER CODE

AU 17288

STEP 2 - PATIENT

WEBSITE ORDERING -

1. Go to prac.researchnutrition.com.au
1. Click Patient Resources > Functional Testing > Order
 - Use this form to know what test to select by matching the test code.
 - FAQs and helpful videos can be found on the [PATIENT RESOURCES](#) section of our website.

EMAIL/POST/FAX ORDERING -

Send this completed form by fax, post or email support@researchnutrition.com.au

NON-MEDICARE

Please print clearly, use capital letters & complete every field.

TIP: Enter a delivery address where someone will be present during business hours (signature is required)

DR/MR/MS/MRS	PATIENT LAST NAME	FIRST NAME	
ADDRESS		CITY & STATE	POST CODE
CONTACT PHONE NUMBER		EMAIL	
<input type="checkbox"/> LEAVE PARCEL IF NOT HOME - Research Nutrition is not responsible should the parcel go missing and this option is ticked. (A \$50 fee may apply if kit has to be re-sent).			
Payment information – Visa and Mastercard only			
CREDIT CARD NUMBER			EXPIRY
NAME ON CARD		SIGNATURE	
REMEMBER TO ADD \$20 HANDLING FEE TO TEST PRICE		TOTAL (Test price + \$20 =)	\$

SENDING OF KITS

Research Nutrition will dispatch the kit by courier within 1 business day. Please allow 1-4 business days for delivery. Full test price (including handling fee) is charged to credit card on dispatch of test kit.

TERMS AND CONDITIONS

Practitioner is responsible for marking on the form which test/s is being prescribed. Full collection instructions are found inside the test kit. Please note under no circumstances can Research Nutrition answer questions regarding a patients healthcare or why you have been prescribed the test/s. Request for a refund on an un-submitted test must be made no more than 30 days after the test kit order. The handling fee will not be refunded.

If Research Nutrition has to re-send a test kit as a result of a patient not following the collection instructions correctly, a \$50 recollection fee may be charged.
